REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant's arguments in the appeal brief filed on 8/18/04, especially on pages 15-17 are convincing in overcoming the rejections in the last office action. It is agreed that the Younger patent (US 5,743,823) describes modifying an existing factory installed engine, however, the Younger patent only describes generally removing and replacing springs and valves. Younger does not specifically teach the steps claimed in claims 1-20. The claimed steps are clearly described on pages 15-17 of the appeal brief filed 8/18/04 and is distinguished from the Younger patent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc Jimenez whose telephone number is (703) 306-5965. The examiner can normally be reached on Monday-Friday between 5:30 a.m.-2:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Peter Vo can be reached on (703) 308-1789. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
